**Bridget Walsh Appointed Vice President  
of Federal Government Relations**

**NEW YORK, N.Y., October 7** - Pfizer Inc. (NYSE: PFE) is pleased to announce the appointment of Bridget Walsh to Vice President of Federal **Government Relations**.

In her new role, Walsh will lead the Legislative and Regulatory Affairs teams and will report to Ken W. Cole, Senior Vice President of U.S. Government Relations.

"Bridget's keen understanding of Capitol Hill and her work on behalf of Pfizer's mission and core legislative priorities have earned her the respect of peers and external audiences alike. She is an incredible asset to our team and we are delighted to see her rise in our organization," said Cole.

Prior to joining Pfizer, Walsh was a senior aide on Capitol Hill, serving as Acting Chief of Staff, Deputy Chief of Staff and Legislative Director for Sen. Jon Tester (D-MT) and Deputy Legislative Director and Counsel for Sen. Bill Nelson (D-FL).
